

## Reunion of Mech. 1993 Batch held on Nov 11, 2011

A memorable reunion was being organized for alumni of Mechanical Engineering class of 1993 batch. More than 35 alumni were able to come for the reunion, including those from Singapore, Dubai, Canada, Australia and places across India. The alumni had gathered in Chandigarh's Sector 11 near house number 11 at 11 minutes past 11 am, the entire sequence of their reunion read — 11.11.11.11.11.11.11. The PEC Mechanical batch chose to march till the campus instead of hiring a bus. When they walked up to PEC's administrative block where they were greeted with red roses by the present PEC students and faculty members.

The ceremony started with welcome address from Prof. K.K. Garg, Chairman Alumni Affairs and Sh. Anurag Aggarwal, President PECOSA. Prof. Manoj Datta, Director addressed the alumni and gave a presentation about the developments and new initiatives taken at PEC in last decade. The batch also interacted with the current faculty members of Mechanical Engineering Department who were also present on the occasion. The alumni were then taken for an institute tour followed by lunch at Shivalik Hostel where the faculty members who taught the class of 1993 were also invited. The batch has also decided to undertake another initiative by setting up a 'PEC-MECH' scholarship worth Rs 111. This amount will be given annually to a deserving and needy student from the mechanical engineering stream, through PECOSA. The event witnessed lots of excitement and happiness amongst the visiting alumni as well as PEC faculty members and students.
